

Monroe County Fair Sponsorship – 2026

The Monroe County Fair Association is looking forward to hosting a fair in 2026! We look forward to providing the youth in our community a place to show projects they worked so hard on for the last year. It is also our hope that our community will again support the events through sponsorships and advertising. There are several levels of advertising and sponsorship that are available for your consideration:

Grandstand Banner Advertising - \$250

Promote your company, organization, or upcoming event during fair week with a maximum size 3' tall x 8' wide banner with grommets on each corner and centers. Banners will be placed at the back of the Grandstand where it is clearly visible to the large crowds.

Main Event Advertising - \$500

This will entitle the sponsor to display a 3' tall x 8' wide banner inside the main arena during the event. Main event sponsors will be limited to 5 per event due to the limited amount of space available. They will also be displayed on a lighted sign between the Beer Stand and Grandstand. In addition, they will be announced throughout the evening during the sponsored event.

Year-Round Advertising - \$1000

This advertisement is displayed on a 4' tall x 8' wide permanent sign, provided by the advertiser, on the back of the main Grandstand. This commitment will show the advertisers' strong support for the Fair and will be seen by thousands of people who attend the many activities that are held at the Fairgrounds throughout the year.
